**Your personal details may be passed on to our Blue Card Junior Bat Ranger Officer of Bat Conservation & Rescue Qld. Inc. for activities related to the Junior Bat Ranger Program only.*

Checkout our website www.bats.org.au there you will find lots of information about bats and a "Junior Bat Rangers Members only" area to log into, where you will find some batty activities to download, past newsletters and photos. (Your password to access this section will be sent with your membership card). Be active in helping raise awareness of these magical mammals and in the process earn yourself rewards and knowledge. These are some of the batty activities and events to watch out for:

- Threatened Species Day Events
- Batober – Baby Bat Month
- Eyes on the wires - look for electrocuted bats and report live babies
- Halloween Event – come dressed up as 'spooky' or 'batty'
- Photo and colouring competitions
- Poster and PowerPoint presentation competitions

N.B. Most importantly don't forget to get mum or dad's permission to join in any of our fun batty activities. Children 15 & over may join as an Associate member (\$25 per annum) – please see www.bats.org.au for this support membership form).
